DHAI-R

"Education is not the filling of a pail, but the lighting of a fire."

About Us

DHAI Education System was established in year 2015 under Section 42 of Companies Ordinance 1984 in order to provide state of art education by incorporating the best pedagogical practices, innovative techniques & consolidating modern technologies/gadgets for instructing & grooming students thereby empowering them to compete in fast changing environment.

DHAI Educational Systems work autonomously under the umbrella of DHAI-R. Students are provided with an opportunity to study in distinct educational streams of DHAI Education Systems i.e., APSACS, Federal & Cambridge International Education System.

Our Mission

Our mission is to provide a vigorous & inclusive academic program that encourages students in academic excellence, critical thinking, creativity & social responsibility. We are committed to foster a safe & supportive environment that values diversity & promotes equality. Through innovative teaching practices, meaningful partnerships, and a focus on student-centered learning, we aim to prepare our students for success in future endeavors.

Our Vision

Our vision is to create a learning community that nurtures the intellectual, emotional, critical, innovative thinking, and social growth of every student, empowering them to become responsible citizens and leaders in their chosen fields.
