

Pervez Musharraf Avenue

- Establishes a direct link from DHA-R Phase IV to Askari 14.
- Enhances accessibility for residents in these areas, simplifying their daily commute.

Phase IV Bridge

- Seamlessly connects DHA-R to the commercial area of Bahria Town Phase 8.
- Offers another option to Defense Avenue, contributing to smoother traffic flow in DHA Phase I.

Golden Triangle

- Soan Bridge & Lai Underpass link GT Road traffic to Amaltas Avenue in Phase I.
- Amaltas Avenue then directs traffic to Bahria Town Phase 7 & 8 via bridges in Phases I & IV.
- This route offers an alternative to Defence Avenue, alleviating traffic congestion in DHA Phase I.

BETTER
COMMUTE!

ENHANCED
CONNECTIVITY
DHA

FEATURES

- Making commuting convenient by creating direct links & alternative routes.
- Amaltas Avenue connecting different communities and enhancing accessibility for residents.
- Ensuring smooth traffic flow, reducing traffic jams.
